

AN ORDINANCE OF THE MAYOR AND CITY COMMISSION OF THE CITY OF MIAMI BEACH, FLORIDA, AMENDING CHAPTER 46 OF THE CODE OF THE CITY OF MIAMI BEACH, ENTITLED "ENVIRONMENT," BY CREATING ARTICLE VI, TO BE ENTITLED "EXPANDED POLYSTYRENE SALE AND USE RESTRICTIONS," TO PROVIDE REGULATIONS FOR THE SALE AND USE OF EXPANDED POLYSTYRENE FOOD SERVICE ARTICLES, AND TO PROVIDE FOR ENFORCEMENT, PENALTIES, AND WAIVERS FOR FINANCIAL HARSHSHIP; AND PROVIDING FOR REPEALER, SEVERABILITY, CODIFICATION, AND AN EFFECTIVE DATE.

WHEREAS, the City of Miami Beach ("City"), a world-renowned tourist destination, declares that it is in the interest of the public health, safety, and welfare of its residents and visitors to reduce litter and pollutants on the lands and in the waters of the City, and along its shores and famous beaches; and

WHEREAS, the City is comprised of a number of islands with approximately 70 miles of shoreline along numerous canals and waterways, the Atlantic Ocean, and Biscayne Bay Aquatic Preserve, all of which support a wide variety of flora and fauna; and

WHEREAS, the waters surrounding the City support threatened and endangered species such as the West Indian manatee and Johnson's seagrass; and

WHEREAS, the City's beaches are a designated nesting habitat for the protected loggerhead, green, and leatherback sea turtles, and support shorebird species, including royal terns and seagulls; and

WHEREAS, the City's waters also act as nurseries and habitats for migratory birds, including brown pelicans and ospreys, and for commercially and recreationally important fish, such as snapper, sailfish, and mahi-mahi; and

WHEREAS, expanded polystyrene, a petroleum by-product commonly known as styrofoam, is neither readily recyclable nor biodegradable and takes hundreds to thousands of years to degrade in the environment; and

WHEREAS, expanded polystyrene is a common pollutant, which fragments into smaller, non-biodegradable pieces that are ingested by marine life and other wildlife, thus harming or killing them; and

WHEREAS, due to the physical properties of expanded polystyrene, the EPA states "that such materials can also have serious impacts on human health, wildlife, the aquatic environment, and the economy"; and

WHEREAS, disposable expanded polystyrene food service articles such as cups, plates, coolers, ice chests, and food containers contribute to litter in the City's streets, parks, public places, and waterways, and on the City's beaches; and

WHEREAS, the City's goal is to replace expanded polystyrene food service articles with reusable, recyclable, or compostable alternatives within the City; and

WHEREAS, the City encourages the use of unbleached, non-coated, recycled-content paper food service articles and other fiber-based food service articles as the most environmentally preferable alternatives to single-use, disposable food service articles when the use of reusable food ware is not feasible; and

WHEREAS, as an environmental leader among local governments in the State of Florida, the City of Miami Beach, by virtue of this Ordinance, will prohibit the sale and use of expanded polystyrene food service articles by certain food service providers and retail stores; and

WHEREAS, this Ordinance will preserve and enhance the environment of the City of Miami Beach.

The procedures for appeal by administrative hearing of the notice of violation shall be as set forth in sections 30-72 and 30-73 of this Code. Applications for hearings must be accompanied by a fee as approved by a resolution of the city commission, which shall be refunded if the named violator prevails in the appeal.
- (g) Failure to pay the civil fine, or to timely request an administrative hearing before a special master, shall constitute a waiver of the violator's right to an administrative hearing before the special master, and shall be treated as an admission of the violation, for which fines and penalties shall be assessed accordingly.
- (h) A certified copy of an order imposing a fine may be recorded in the public records, and thereafter shall constitute a lien upon any real or personal property owned by the violator, which may be enforced in the same manner as a court judgment by the sheriffs of this state, including levy against the violator's real or personal property, but shall not be deemed to be a court judgment except for enforcement purposes. After three months following the recording of any such lien that remains unpaid, the City may foreclose or otherwise execute upon the lien for the amount of the lien plus accrued interest.

(i) The special master shall be prohibited from hearing the merits of the notice of violation or considering the timeliness of a request for an administrative hearing if the violator has failed to request an administrative hearing within ten (10) days of the service of the notice of violation. The special master shall not have discretion to alter the penalties prescribed in this article. Any party aggrieved by a decision of a special master may appeal that decision to a court of competent jurisdiction.

Section 46-208. Financial hardship waiver.

Any food service provider or store that reported an annual gross income under \$500,000 per location on its income tax filing for the most recent tax year, and that is not a chain food service provider or chain store, may request from the city manager, in a manner and form established by the city manager, a financial hardship waiver of the requirements of this article. The financial hardship waiver request may apply to one or more expanded polystyrene food service articles sold, used, or offered for sale or use by any such food service provider or store. The City Manager city manager may grant a waiver if the food service provider or store proves the following:

- (a) there is no comparable alternative product not composed of expanded polystyrene that would cost the same as or less than the expanded polystyrene food service article, and
- (b) the purchase or use of an alternative product not composed of expanded polystyrene would create an undue financial hardship.

Such financial hardship waiver shall be valid for twelve months and may be renewable upon application to the city manager. If an administrative hearing is requested pursuant to section 46-207(f)(2), a pending financial hardship waiver request shall be grounds for a continuance of the administrative hearing, but only if the notice of violation was issued after the submittal of the financial hardship waiver request.

SECTION 2. REPEALER.

All ordinances or parts of ordinances in conflict herewith are hereby repealed.

SECTION 3. SEVERABILITY.

If any section, subsection, clause or provision of this Ordinance is held invalid, the remainder shall not be affected by such invalidity.

DATE: September 2, 2015

SUBJECT: **AN ORDINANCE OF THE MAYOR AND CITY COMMISSION OF THE CITY OF MIAMI BEACH, FLORIDA, AMENDING CHAPTER 46 OF THE CODE OF THE CITY OF MIAMI BEACH, ENTITLED "ENVIRONMENT," BY CREATING ARTICLE VI, TO BE ENTITLED "EXPANDED POLYSTYRENE SALE AND USE RESTRICTIONS," TO PROVIDE REGULATIONS FOR THE SALE AND USE OF EXPANDED POLYSTYRENE FOOD SERVICE ARTICLES, AND TO PROVIDE FOR ENFORCEMENT, PENALTIES, AND WAIVERS FOR FINANCIAL HARSHSHIP; AND PROVIDING FOR REPEALER, SEVERABILITY, CODIFICATION, AND AN EFFECTIVE DATE.**

SECOND READING – PUBLIC HEARING

ADMINISTRATION RECOMMENDATION

The Administration recommends that the City Commission adopt the proposed Polystyrene Sale and Use Restrictions Ordinance on Second Reading.

BACKGROUND

On May 6, 2015, the Mayor and City Commission referred a discussion item regarding a citywide prohibition of expanded polystyrene food service articles to the Sustainability and Resiliency Committee (SRC). At the May 27, 2015 meeting, the SRC passed a motion direction the Office of the City Attorney to draft an ordinance to impose restrictions on the sale and use of expanded polystyrene food service articles. At the June 24, 2015 meeting, the SRC unanimously passed the attached Ordinance with a favorable recommendation. On July 8, 2015, the Mayor and City Commission passed the proposed ordinance on first reading.

PROPOSED ORDINANCE

The proposed Ordinance provides that no food service provider or store shall sell, use, offer for sale or use, or provide food in expanded polystyrene food service articles. The Ordinance contains exemptions for (1) expanded polystyrene food service articles used for prepackaged food that have been filled or sealed prior to receipt by the food service provider or store, (2) expanded polystyrene food service articles used to store raw meat, pork, fish, seafood, or poultry sold from a butcher case or similar refrigerated retail display or storage case, and (3) not-for-profit corporations, religious organizations, the school district, and county, state, and federal government entities.

The Ordinance provides for public education by the City from September 15, 2015, to March 14, 2016, to inform food service providers and stores of the provisions of the Ordinance and to provide assistance with identifying alternatives to expanded polystyrene food service articles. Following the City's public education efforts, the City shall provide for a six-month warning period from March 15, 2016 to September 14, 2016, during which time written warning shall be issued by the Code Compliance Department for violations of the Ordinance, except as to coolers and ice chests, for which a 60 day warning period is provided for through and including November 13, 2015.

Beginning November 14, 2015, the Code Compliance Department shall start enforcing violations of this Ordinance associated with ice chests and coolers. Starting on September 15, 2016, the enforcement and penalty provisions of the Ordinance with regard to all other expanded polystyrene food service articles (in addition to coolers and ice chests) shall take effect. The Ordinance imposes civil fines of \$50.00 for a first violation within a 12-month period, \$100.00 for a second violation within a 12-month period, and \$500.00 for a third or subsequent violation within a 12-month period. Once a notice of violation is issued, the named violator may elect to pay the civil fine or request an administrative hearing before a special master. The Ordinance also includes provisions for a financial hardship waiver that may be requested from the City Manager under certain circumstances.

FIVE YEAR FISCAL IMPACT

In accordance with Charter Section 5.02, which requires that the "City of Miami Beach shall consider the long term economic impact (at least 5 years) of proposed legislative actions," this shall confirm that the City Administration evaluated the long term economic impact (at least 5 years) of this proposed legislative action.

The City of Miami Beach has over 1,000 food-related businesses that directly or indirectly provide food take out services. During the initial educational six month period, City staff through the Division of Resiliency and Sustainability as well as the Code Compliance Department, will coordinate to educate the businesses as well as constituents regarding this new ordinance. However, after the initial process, Code Compliance Department projects a minimum of three (3) Full Time Equivalents (FTEs) Code Compliance Officers (CCOs) to respond to complaints and address violators proactively. This is a very preliminary financial projection which will need to be revisited at the conclusion of the first six (6) month educational period.

Three (3) FTE CCOs will cost approximate \$240,000 in year one, with an annual cost of \$155,500 following year one. Attachment B provides the fiscal projection associated with the three (3) FTE CCOs.

CONCLUSION

The Administration recommends approving the Ordinance.
